European Innovation Management Academy

Consultant Intern (part-time or full-time)

IMP³rove - European Innovation Management Academy

About IMP³rove – European Innovation Management Academy:

IMP³rove – European Innovation Management Academy (www.improve-innovation.eu) is a fast-growing start-up and subsidiary of the management consultancy A.T. Kearney. Our daily work is based on the conviction that innovation is manageable rather than a result of purely accidental circumstances. We offer innovation management-related consulting, assessment and training services to private and public clients in the innovation eco-system. With a global network and the world's largest in-depth innovation management benchmarking database, we have set the standard for innovation management assessment.

Key responsibilities:

- Contributing to international projects in the public and private sector on innovation management
- Data analyses based on the various IMP³rove databases
- Support in research on key topics of innovation management and in developing thought-provoking insights

Knowledge and skills requirements:

Applicants for a position as Consultant Intern are expected to be in their Master or Ph.D. studies. This position requires:

- Above average academic achievements and a proven track record of outstanding analytical achievements
- Background and first practical experience in business administration, ideally, expertise in innovation management
- Strong interpersonal skills to collaborate with very different stakeholders and very different cultures
- Language requirements: excellent skills in English and German; other languages, e.g. French or Arabic are an asset

Organizational environment:

Reporting directly to the Managing Directors Dr. Martin Ruppert and Dr. Nils Dülfer

- Insights into various aspects of innovation management consulting
- Part-time position, minimum one day per week, or full-time position
- Office location: Düsseldorf
- Start date: immediately
